

THE REDWOOD GROVE MEMORIAL WALL

You may wish to honor your loved one with an engraved tile at the entrance to the redwood grove garden at our Scotts Valley Headquarters. The beautiful commemorative garden is a sanctuary just outside our office where we gather in celebration, or just to take a moment in quiet reflection. Benches under a redwood canopy provide a peaceful resting spot to honor the precious memories of those who have brought great joy and meaning into our lives. The engraved tiles are a way to remember our loved ones and create a comforting and healing presence for all who visit.

Memorial tiles can be purchased any time throughout the year, but will be installed just once each summer. The deadline for purchasing tiles for installation this summer is June 30, 2009. Those who purchase a tile will be contacted and invited to attend a commemorative garden open house later this summer.

Please complete the form on the other side.
