We're Dedicated

We offer end-of-life care and so much more. Hospice of Santa Cruz County supports quality of life, every day.

We meet people exactly where they are, bringing a new depth to our services and mission.

Our Palliative Care Pilot allows people facing serious illness an extra layer of support and care.

Our new Bob and Joey Jackson Music Therapy Program brings healing and relief to people in hospice care.

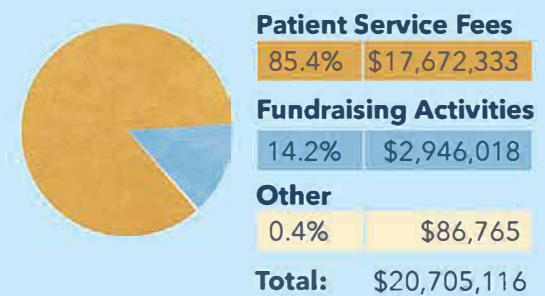

Our Grief Support Program has expanded to offer our traditional support and now includes cooking for one, writing classes, reiki, meditation, breath work, and nature walks in the redwoods.

Hospice allows for the time to focus on what's most important.

- ✓ To live fully.
- ✓ A safe space to plan ahead.
- ✓ To make informed choices if they're unable to speak for themselves.
- ✓ To broaden the discussion of what wellbeing means at all stages of life.
