Our Deepened Commitment

We're so proud to be your community-based nonprofit hospice. Each year, with your support, we expand programs and invest in new services to meet the community's needs.

Our **Palliative Care Pilot** became an ongoing program and we are now able to accept Blue Shield insurance, making it possible for us provide an extra layer of support to more people facing serious illness.

Our **Bob and Joey Jackson Music Therapy Program** continues to bring healing and relief. With approval from the American Music Therapy Association, our first Music Therapy Intern will join us in January 2018 to bring this service to more people.

Camp Erin® Santa Cruz included the transformative power of music. Kids wrote songs and played drums they made at camp to express themselves through music. Throughout the weekend, they created connections and celebrated the lives of their loved one. The healing continues.

Palliative Care Matching Gift Opportunity

The Bright Horizons Fund committed \$100,000 to our Palliative Care Services. For each gift made to the program between now and June 30th, 2018, they'll match it dollar for dollar. Be a part of it by making a gift today - 831 430 3033.
